

## POWER OF VENUS

### „Power of Venus“

The harmony-bringing guard for your home.

The Venus Flower, a symbol from sacred geometry, shows the path that earth and Venus draw together around the sun. This creates the pattern of a star-shaped flower with five petals.

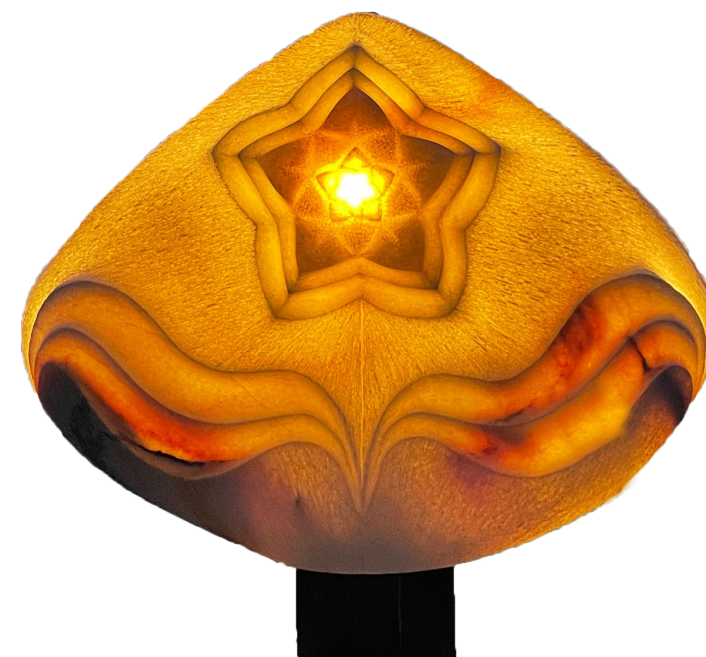

### Individually

The in- and outdoor light object made of coarse crystalline Gummerner Marble (Carinthia) or from Pörtlachschacher Marble

Dimensions base:
